Deposits can be made with cash or personal check. **Checks should be made payable to Jennifer Park.** The waiting list deposit is \$250.00 (nonrefundable) which will hold your place on our waiting list in the order in which deposits are received. Total purchase price of BMK puppies is \$2,100 as of 1/25/21.

Waiting list deposits never expire, so you can pass on any litter and wait for the next. If you pass on an available litter, your spot on the waiting list will remain the same or move up if someone ahead of you has picked a puppy.

All new litters will be offered to people on our waiting list first, any puppies remaining after our waiting list picks will then be offered for sale to the public. People on our waiting list have up to 1 week to decide if a puppy from the available litter is wanted. If no response within that week, puppies will be offered to the public.

Waiting list deposit will be deducted from the total price of the puppy. Deposits will NOT be refunded if you are waiting on a specific breeding and that breeding fails to produce a litter. You will need to wait on that breeding pair again or choose a puppy from another litter. False pregnancies, missed breeding, delivery complications, etc., do happen on occasion, which are out of our control.

Waiting list deposits are NONREFUNDABLE for any reason. Please make sure you want a puppy, and are willing to wait before sending a deposit.
